

CONSTRUCTION NEARLY COMPLETE ON NEXT TRAIL SECTION!

Throughout the summer, Richard May Construction has been working on the second-to-last section of trail in the Truckee River Canyon. They reached an important milestone in September when the two ends of the 2017 work were roughly connected. You can see the trail below I-80 in this photo. Hopefully sometime in November you will be able to ride out-and-back from Hirschdale on your mountain bike!

EVENTS IN OCTOBER

- Janet hopes to see you at our exhibit booth at **Truckee River Day** October 15 at Granite Flat campground.
- **Saturday October 21**, will be our **13th annual "Ride the Rez"**. This is an intermediate dirt ride, with a few obstacles to lift your bike over. **BACK THIS YEAR.....**the ride will be led by Ted and Trevor Oxborrow, long-time adventure riders across Nevada.

The ride starts at Natchez School in Wadsworth at 9:00, but please allow one hour to drive to Wadsworth, stop at the convenience store at Exit 43 to buy a Tribal permit, and continue a mile to the school start point (or get your permit online at <http://plpt.nsn.us/rangers/>). There are several options for ride length, so *please RSVP to Ted Oxborrow: 530-305-9835 or tedoxborrow@gmail.com*. Additional help with leading this ride is always needed!

THANKS TO 3rd QUARTER CENTURY CIRCLE (\$100+) DONORS!

The "Century Circle" is our sustaining funding for year-in-year-out operations, including engineering, planning, trail maintenance, and other important tasks. Welcome back repeat* donors:

Jay Aldean	Daryl Drake	Bob Lemond	John Singlaub
